March 13, 2020

Hi Discovery Families,

VESD and Discovery's main focus is to ensure that our students, staff and families are safe. Due to the recent development with the Coronavirus the following procedures/policies have been put in place:

- Postponing all field trips outside of the Victor Valley, assemblies and performances
- Additional hand sanitizers have been installed in the cafeteria and nurse offices with bottles being distributed to the classrooms.
- Encouraging frequent hand washing ,refrain from touching your face, stay home when you are not feeling well and monitoring symptoms of sick students or staff and reporting that data to our district nurses.

There are other precautions that have been in place for the past few weeks. Our district is doing additional cleaning and disinfecting daily throughout our schools to support a safe environment. We are monitoring the situation multiple times throughout the day with CDC and County Public Health.

Parent-Teacher conferences are scheduled for next week. If you would prefer a phone conference please fill out the portion below and send it back to school on Monday. Teachers will use their conference time to make those phone calls to update you on your child's progress from 1:15 – 3:45. If you have a set conference time the phone conference will be at that time. PLEASE TAKE OUR PARENT SURVEY and share your thoughts with us. <http://parentsurvey.vesd.net>

Information will be sent home as it becomes available. Please refer to [www.VESD.net](http://www.VESD.net) for updates on our preparations. Thank you for your cooperation and understanding with this matter to ensure the safety of our students, staff and families. If you have any questions, please call us at (760) 843-3577.

Sincerely,  
 Linda Rueter, Principal
